

COM (CUSTOMER'S OWN MATERIAL)

When ordering Braxton Culler furniture in COM fabrics please adhere to the following steps:

- Pricing on fabric COM use Grade D pricing. Vinyl pricing use Grade F pricing. Fabrics with heavy vinyl backing that also require breathers use Grade F pricing.
- COM yardage requirements for matched fabrics and topped fabrics must be increased over the stated yardage on each individual style.
- Fabric must be marked with dealer name, order number and date, style number and customer name. Please include the following form with COM.
- The customer must inspect all COM fabric. The factory accepts no responsibility and will allow no adjustments on COM. Should the fabric be defective, it will be returned freight collect.
- If contrast welts are desired, add 1 yard for chair, 1.5 yards for loveseat & 2 yards for sofa.
- Unless specific instructions are provided regarding the application of stripes, vertical, horizontal, or face side of the fabric, it will be applied by the factory at their own discretion without liability for doing so. We will assume that the face side is rolled in. If there can be a question concerning which side is the face side, please attach a cutting showing the face side to the COM form.
- COM must be shipped to the factory freight prepaid. Please take note: COM orders are not placed into production until the COM is physically received at the plant. Please have the description of COM on your order, if you don't have a pattern and color number; a good physical description will suffice.
- When multiple fabrics are used, each fabric must be clearly marked as to location or part of the upholstered item.
- All fabric is subject to factory approval. Not all fabrics are suitable for upholstery manufacturing.
- We will no longer return excess yardage; therefore, please ONLY send the required yardage for items being ordered.
- We only accept COM that is a 54" width.
- If contrast welts are desired, add 1 yard for chair, 1.5 yards for loveseat, 2 yards for sofa, and 3 yards for headboard.
